The Board presents this statement to provide shareholders with an overview of the corporate governance (“CG”) practices of the Company which were based on the principles and best practices as set out in the Code, the governance standards prescribed in the Main Market Listing Requirements (“Listing Requirements”) of Bursa Malaysia Securities Berhad (“Bursa Securities”) and the requirements under the Companies Act 2016 and applied under the leadership of the Board during the financial year ended 31 December 2017.

PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS

I Board Responsibilities

The Board acknowledges its pivotal role in the stewardship of its direction and operations, and ultimately the enhancement of long-term shareholder value. To fulfil this role, the Board is responsible for the overall corporate governance of the Group, including its strategic direction and the Board oversees the establishment of goals for Management and monitors the achievement of these goals.

The Board is led by the Executive Chairman and the Group Chief Executive Officer (“CEO”) whose roles are separated. The Chairman is responsible for running the Board and ensures that all Directors receive sufficient relevant information on financial and non-financial matters to enable them to participate actively in Board decisions whereas the Group CEO is responsible for the day to day management of the business as well as the implementation of Board policies and decisions.

In order to ensure orderly and effective discharge of the above functions and responsibilities of the Board, the Board has set up various Board Committees to assist the Board. The Board Committees set up by the Board are:-

- (a) Executive Committee (“EXCO”)
- (b) Audit Committee (“AC”)
- (c) Nomination Committee (“NC”)
- (d) Remuneration Committee (“RC”)

The EXCO, AC, RC and NC play a pivotal role in channeling pertinent operational and assurance related issues to the Board. The Board Committees partly function as a filter to ensure that only pertinent matters are tabled at the Board level. There is also a formal procedure sanctioned by the Board, whether as a full Board or in their individual capacity, for Directors to obtain independent professional advice at the Company’s expense.

All Board Committees have written Terms of Reference. In 2017, the Board approved the amendments to the Terms of Reference of the NC and RC to be in line with the CG practices set out in the Code. The Terms of Reference of the Board Committees can be found at the Company’s website, www.texchemgroup.com and in this Annual Report.

The prime objective of the Company’s Board Charter is to set out the principles governing the Board of the Company and adopts the principles and practices of good corporate governance in the management of the Company. The Board is guided by the Board Charter which outlines, *inter alia*, the duties and responsibilities of the Board, Board Committees, Chairman, CEO, individual Directors and Management, matters reserved for the Board as well as those which the Board may delegate to the Board Committees, CEO and Management.

The Board has also formalised a Code of Conduct and Ethics (“CoCE”) to govern the conduct of the Directors, Management and employees in the operation of the Company. The CoCE includes mechanism amongst others, a whistleblower policy for the Company’s Directors and employees as well as external parties to report genuine suspicions of non-compliance without fear of retribution or retaliation.
