

# ADOPT A KIDNEY PATIENT CAMPAIGN #4

The Cultural Ambassadors (CA) would like to express their deep appreciation to Texchemers who participated in the "Adopt a Kidney Patient" Campaign. We had more participation this year and we achieved the highest collection. As such a big thank you to all our donors!

To commemorate this record setting collection, Restaurant Division sponsored Sushi King vouchers and Hoshino coffee vouchers to some lucky donors as a small token of appreciation. Details of how the draw was carried out was posted on the Ren mobile apps on 29 December.

**Total Collection :**

**RM40,000**

**No. of donors : 340**

**RM30,000 to sponsor the dialysis treatment of one CKD patient for a year.**

**RM10,000 to the flood relief fund to assist Malaysian families affected by the flooding in December.**

The targeted amount for this campaign was RM30,000 as this is the amount needed to support the dialysis expenses of one CKD patient for a year. However, CA managed to raise RM40,000 after the matching grant from Texchem Resources Bhd and the top-up from our Executive Chairman and Group CEO.

How did we disburse the funds? RM30,000 was donated to the Kidney Patient Fund while RM10,000 was channeled to the Floor Relief Fund, managed by the same charitable organisation. Your contribution has enabled one kidney patient to receive treatment for one whole year to keep him/her alive as well as to provide aid to some families badly affected by the recent flooding.

Again, a big thank you Texchemers and wishing you a Happy and Prosperous New Year 2022!
